You have choices about how to get your Medicare benefits

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare health plan such as **PacificSource Medicare Essentials Rx 6 (HMO)**.

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **PacificSource Medicare Essentials Rx 6 (HMO)** covers and what you pay.

If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Which doctors, hospitals, and pharmacies can I use?

PacificSource Medicare Essentials Rx 6 (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider directory at our website [Medicare.PacificSource.com/Search/Pharmacy](https://www.Medicare.PacificSource.com/Search/Pharmacy).

You can see our plan's provider directory at our website [Medicare.PacificSource.com/Search/Provider](https://www.Medicare.PacificSource.com/Search/Provider)

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more.

- **Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare.** For others, you may pay less.
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, Medicare.PacificSource.com/Search/Drug

Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

Monthly Premium, Deductible, and Limits on How Much You Pay for Covered Services

How much is the monthly premium?

\$205 per month. You must continue to pay your Medicare Part B premium.

How much is the deductible?

This plan does not have a deductible on covered medical and hospital benefits. This plan does have a deductible of \$150 for Tier 3, 4, and 5 drugs.

Is there any limit on how much I will pay for my covered services?

Yes. Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care.

Your yearly limit(s) in this plan:

\$5,000 for Medicare-covered services you receive from in-network providers.

If you reach the limit on out-of-pocket costs, you keep getting covered hospital and medical services and we will pay the full cost for the rest of the year.

Please note that you will still need to pay your monthly premiums and cost-sharing for your Part D prescription drugs.

Is there a limit on how much the plan will pay?

Our plan has a coverage limit every year for certain in-network benefits. Contact us for the services that apply.

You may get your drugs at network retail pharmacies and mail order pharmacies. Cost-sharing may differ relative to the pharmacy's status as preferred or non-preferred, mail-order, Long Term Care (LTC) or home infusion, and 30- or 90-day supply.

You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$3,700.

After you enter the coverage gap, you pay 40% of the plan's cost for covered brand name drugs and 51% of the plan's cost for covered generic drugs until your costs total \$4,950, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Under this plan, you may pay even less for the brand and generic drugs on the formulary. Your cost varies by tier. You will need to use your formulary to locate your drug's tier.

All Tier 6 drugs and a select group of Tier 3 and 4 drugs have additional coverage in the Coverage Gap. Your cost will not increase from the Initial Coverage co-pay. See the list of covered drugs to determine which drugs are included.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$4,950, you pay the greater of:

- 5% of the cost, or
- \$3.30 co-pay for generic (including brand drugs treated as generic) and a \$8.25 co-pay for all other drugs.
